

PODIATRISTS OVERCOMING ADVERSITY

NY Podiatrist Completes NYC Half Marathon for Cancer Charity

Rob Conenello, DPM, past president of the American Academy of Podiatric Sports Medicine (AAPSM) completed the United NYC Half Marathon held on March 18th. "This was a special event for me," Dr. Conenello said. "I was running for team Aktiv Against Cancer, whose mission is to use goal-oriented exercise as medicine for those struggling with the wrath of cancer."

Dr. Rob Conenello

"I am far from fast, but I enjoyed every moment of the race as it was very spiritual for me personally. My mission is to give hope to others!"
Conenello was able to raise \$5,000 to support this cause!
